About United Arab Emirates

The country where innovation meets culture, the United Arab Emirates (UAE) is a popular tourist destination and is home to some of the best universities in the Gulf region. The UAE is the perfect destination for any international student looking for a unique and high-quality educational experience. The higher education system in the UAE is administered by the Ministry of Higher Education, which holds the highest standards of academic excellence.

Located in the Middle East, the UAE is divided into seven emirates, all governed by separate rulers. The seven emirates are Abu Dhabi, Dubai, Sharjah, Ajman, Fujairah, Ras al Khaimah, and Umm al Quwain. The UAE offers an open, tolerant, and diverse culture. The population of the UAE is made up mostly of expatriates and is home to over 200 nationalities. Emiratis constitute roughly 20% of the total population, making UAE home to one of the world's highest percentage of immigrants and in ideal location for students to learn and experience diverse cultures.

About City University Ajman

City University Ajman is an institution of higher education, licensed by the Ministry of Education – Higher Education Affairs in the United Arab Emirates. City University Ajman provides a holistic learning environment that fosters research, innovation, and personal growth. It provides students with the knowledge, opportunity, and support needed to enable them to achieve their individual aspirations, make a positive contribution to the society, and become leaders in their respective fields.

All of City University Ajman's academic programs are accredited by the Commission for Academic Accreditation (CAA). The University offers 16 academic programs in disciplines of Dental Surgery, Business, Law, Media, Humanities and Education at the undergraduate and graduate level. City University's academic programs are offered in English and Arabic. One of the University's major strengths lies in a strong team of highly qualified, diverse, and dedicated faculty and staff. The University offers top quality education and ensures all academic programs and portfolios remain contemporary, interfaced with the industry, and meets international standards.

City University Ajman is also one of the few institutions in the GCC that has a membership with the International Student Exchange Program (ISEP) – an organization based in Washington DC, which provides students with an opportunity to study abroad at more than 300 universities around the world under its student exchange program. Also, City University Ajman is a member of AACSB International (AACSB), which connects educators, students, and business to achieve a common goal: improve the quality of business education around the world. City University Ajman holds a diverse student and faculty body, with over 50 nationalities represented on campus. The University aims to prepare students for the global market by providing an international, holistic learning experience and environment.

The QS Rating System has certified City University Ajman as a 4 out of 5 Star institution. These ratings exhibit the University's continued commitment to excellence in teaching, research, student services and contributions to the community. The QS Intelligence Unit arrived at this Four Stars institution rating through rigorous and independent data collection and analysis of performance metrics as set out in the QS Stars™ methodology. The evaluation was in eight categories for CUAjman: teaching, employability, internationalization, academic development, facilities, program length, social responsibility, and inclusiveness. In addition, the process included several indicators in each category, chosen based on global standards and best practices.
